TOOLQUIP

TOOLQUIP A-Z FACILITY INDEX

- ❑ Agricultural Engineering & Forestry
- ❑ Automotive Engineering
- ❑ Building & Construction
- ❑ Carpentry & Joinery
- ❑ Catering Equipment
- ❑ Ceramics & Glass Production Equipment
- ❑ Civil Engineering
- ❑ Electrical
- ❑ Electronics
- ❑ Forging, Foundry & Blacksmiths Equipment
- ❑ Industrial Manufacturing
(CNC – CAD/CAM – Robotics-FMS)

- ❑ Metrology & Quality Control
- ❑ Metallurgy & Materials Testing
- ❑ Paint & Spray Preparation
- ❑ Plumbing & Pipefitting
- ❑ Refrigeration & Air Conditioning
- ❑ Surveying & Measuring Equipment
- ❑ Telecommunications
- ❑ Textile Testing
- ❑ Welding & Sheet Metal

TOOLQUIP

Toolquip Projects is a leading supplier of a wide range of automotive, agricultural and industrial workshop equipment.

Toolquip administers projects on behalf of many multilateral funding bodies including IDA/World Bank, African Development Bank, Asian Development Bank and the European Development Fund, in addition to United Nations Agencies and Overseas Governments.

Our success in international tendering, coupled with our colossal database of sources and product information, bring to you, the customer, the most comprehensive and competitive service available.

During the past decade, developing nations have faced an almost insatiable affinity for the creation of infrastructure, social skills and education programmes depending heavily on specialist companies, like ourselves, that can provide not only general equipment but also complete turnkey facilities, which may include installation, commissioning and training as well as other more invisible added value services.

Toolquip Projects are committed to delivering these services and as a private company, can still offer the personal touch so often overlooked in the modern business era.

TOOLQUIP

Turnkey Project Management

The unique capability of Toolquip Projects offers a specialised approach to equipping multi-disciplined engineering related workshops.

☐ **EQUIPMENT SPECIFICATION**

Utilising our extensive product/resource database.
Detailed equipment lists can be compiled

☐ **FACILITIES DESIGN & PLANNING**

Customised to your requirements on the latest computer aided design and desk-top publishing technology systems

☐ **WORLDWIDE SOURCING**

Ensuring competitive pricing, tendering and specification compliance.

☐ **PROCUREMENT**

Consolidation, inspection and packing in accordance with international standards and the tender specification

☐ **EQUIPMENT & LOGISTICS MOBILISATION**

A feature of our management service is the control and tracking of complex multi-modal freight movements to multi-site destinations.

☐ **EQUIPMENT ACCEPTANCE**

Receipt of goods using state of the art bar coding and asset registration management systems

☐ **INSTALLATION & COMMISSIONING**

Using our own in-house technical expertise and also specialist factory trained personnel as and when required

☐ **TRAINING**

Learning objectives established, then training modules and programmes are tailor made to suit the needs of the client

☐ **AFTER SALES SERVICE**

Comprehensive equipment maintenance service achieved via our inventory control and asset management systems, which can also include preventative maintenance.

TOOLQUIP

A Selection of Major Projects with which we have recently been involved

	Product information	Client	Value in US \$
Africa			
Ghana	Miscellaneous Tools & Equipment	Ministry of Education, Ghana	\$ 100,000
Ghana	Supply Of Carpentry/Joinery & Refrigeration/Air-Conditioning Toolkits To Vocational Training Institutions, Apprentices & Master craftsmen Institutes	Ministry of Education	\$ 640,000
Ethiopia	Engineering Equipment, Laboratory Apparatus, Models and Equipment	Educational Materials Purchasing & Distribution Agency	\$ 875,000
Ethiopia	Test & Measuring Instruments & Tools	Ethiopian Telecommunications Authority	\$ 410,000
Mauritius	Civil & Chemical/Sugar Engineering and Electrical/Electronic Engineering Equipment	Ministry of Education & Science	\$ 610,000
Mauritius	Materials Testing Machines	Industrial Vocational Training Board	\$ 100,000
Tanzania	World Food Programme	Containerised Maize Milling Units (For Export To Tanzania / Rwanda)	400,000
Tanzania	Workshop Equipment	International Development Association Education, Planning & Rehabilitation Project, Tanzania	\$ 270,000
Uganda	Ministry Of Education & Sports, Uganda, (5th IDA Education Project)	Toolkits	300,000
Asia			
Myanmar	Advanced Research Instruments, Textile Equipment	OPEC/Yangon Technical University	\$ 910,000
Myanmar	Mechanical and Fluid Engineering and Surveying Equipment	Ministry of Science and Technology - GTC Project	\$ 425,000
Pakistan	Machine Tools & Workshop Equipment	International Training Centre, Italy (With NVTP Pakistan)	\$ 1,700,000
Sri Lanka	Ministry Of Education, 2nd Technical Education Project	Automotive Equipment & Electrical Tools & Equipment	\$ 1,000,000
Thailand	Textile Testing Equipment	Ministry of University Affairs	\$ 210,000
Thailand	Materials Testing Machines	Ministry of University Affairs	\$ 1,910,000
Vietnam	United Nations Industrial Development Organisation, Austria	CNC Machine Tools	\$ 300,000
EU/Europe			
Austria	United Nations Industrial Development Organisation	Metrology Equipment	\$ 330,000
